NEWCHEMICAL  
PARTNER ZAPPALORTO

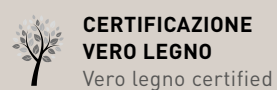

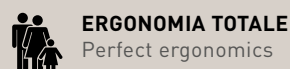

**ZAPPALORTO E NEWCHEMICAL  
INSIEME PER IL RISPETTO  
E LA PROTEZIONE DEL LEGNO  
E DELLA NATURA**

azienda leader nelle soluzioni e nei prodotti innovativi per il trattamento e la protezione di manufatti lignei, restituisce alle finiture Zappalorto dinamiche in grado di plasmare e proteggere le materie senza recare nocività. Zappalorto, utilizzando "Olio di Luna" a base di oli vegetali e cere, protegge nutre ed impregna il proprio legno conferendone una decisa proprietà antimacchia e mantenendo inalterata la traspirabilità della superficie trattata.

**ZAPPALORTO & NEWCHEMICAL:  
TOGETHER TO RESPECT  
AND PROTECT WOOD  
AND NATURE**

a leader in innovative solutions and products for the treatment and protection of wood, imparts dynamics to Zappalorto finishes that are capable in shaping and protecting materials without being harmful.

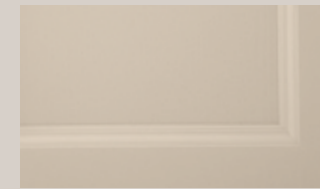

In using "Olio di Luna", comprised of vegetable oils and waxes, protects, nourishes, and impregnates wood giving it strong stain-proof properties, while maintaining unaltered the transpirability of the treated surface.
